To those responsible for planning mass gatherings and community events:

In response to the ongoing developments as a result of COVID-19 (Coronavirus), to protect the health and safety of our community and our staff, and to provide guidance to Ogden's vibrant event community, The Ogden City Arts Culture and Events Division has implemented the following directive:

**OGDEN CITY ARTS, CULTURE AND EVENTS DIRECTIVE  
IN RESPONSE TO COVID-19**

Following the guidance released from the CDC (Centers for Disease Control and Prevention), the State of Utah and Weber/Morgan Health Department, the following measures are in place for all Ogden City Special Events or Public Events until further notice:

- All public gatherings or special events scheduled or planned through May 16, 2020 involving 10 people or more should be cancelled or postponed.
- Any public gatherings or special events that are scheduled or planned to take place after May 16, 2020 will be assessed by Ogden City 30 days prior to such event. The decision to cancel, postpone or reschedule the event will be based on the existing health and safety recommendations from Federal, State and Local authorities at that time.

Ogden City is taking this pandemic very seriously and is committed to the safety, health and well-being of our community. We will actively monitor the situation and any changes or updates to this directive will be driven by information and guidance from the CDC, the State Health Department, the Governor's Office, and Weber/Morgan Health Department. We will continue to distribute and update information as it becomes available.
