Q & A

Q – The part number is not a full configuration and that we need the clarification on the memory. With two processors the memory population is not valid. Please advise on how to proceed.

- *16GB RDIMM, 3200MT/s, Dual Rank*
- *128GB, 2666MT/s Intel Optane DC Persistent Memory*

A - The configuration for Processor to Ram is 12 x 16GB RAM and 8 x 128GB Optane Memory
