2. Whether we need to come over there for meetings?
 - **Yes, if needed, meetings may be conducted in-person at the Ogden City Municipal Building.**

3. Can we perform the tasks (related to RFP) outside USA? (like, from India or Canada)
 - **No**

4. Can we submit the proposals via email?
 - **No, faxed or emailed proposals will not be accepted.**

5. Can you let me know, is this bid specific to pricing out Azure products or is there a professional services component that will be needed as well?

The scope seemed to be limited to Azure Pay as you Go pricing, but the qualifications and expectations outline indicated that there was knowledge and references required as well.

- **No, this RFB is for pricing only. There is no component for professional services. Hence, the insurance coverage is not required.**
