

Ogden City Corporation

Request for Proposal – Microsoft Enterprise Agreement Renewal

Q & A

1. Is the City requesting any services in addition to the software licensing and enterprise agreement?
 - a. No.

2. Would the City be willing to evaluate proposals that include software asset management services in addition to the software licensing and enterprise agreement? Software asset management services would ensure that software licenses are appropriately utilized and tracked so that audit penalties do not occur, leading to savings in the overall software budget.
 - a. No.
