Experience 'MOMENTS'

Part of Ogden's First Friday Art Stroll on May 5, MOMENTS features work from more than 20 local and national artists: video projections, dance performances, music, temporary installations, light-based sculpture, participatory art projects, and more.

This free, one-night experimental art event will be available from 6 to 10:30pm throughout Ogden, from Union Station to Jefferson Ave.

Keep Ogden Beautiful

The harsh winter months take a toll on our city, and Comcast Cares Day and Make a Difference Day offer the opportunity to get outdoors and clean up the debris that winter left behind, add a fresh coat of paint, and prep flowerbeds for the summer months ahead.

How to get involved:

1. Join us April 22 for a river and parkway trail cleanup and the installation of a new disc golf course at Miles Goodyear Park.
2. Gather your friends and family for volunteer cleanup on May 4.

We are looking for groups of all sizes and ages to volunteer for both dates. We are also looking for additional projects for Make a Difference Day on May 4.

Emergency Preparedness Message: Flooding

Even though we live in the second driest state, flooding is the leading cause of property dollar loss in Weber County. The work the city has done on the Ogden River has reduced the effects of flooding within the city immensely, but our run-off started in February instead of around April.

We have been monitoring this closely and are preparing just in case the future weather doesn't cooperate with our snowpack. So be aware of flood hazards no matter where you live, but especially if you live in a low-lying area, near streams, gullies, culverts, or canals and drainages.

For more information on what to do before, during, or after a flood, visit:
