

## Ogden City Arts Grants Application

**OGDEN CITY ARTS (OCA)** is managed by Ogden City Government and works to provide all persons with equal access to arts and culture programming without regard to race, religion, gender, national origin, disability, age, or sexual orientation. This office works directly with the **OGDEN CITY ARTS ADVISORY COMMITTEE (OCAAC)** who are a citizen-based committee that performs a valuable service through and under the direction of OCA in the areas of arts advocacy, administration of the Public Art program, the Arts Grants program, the Mayor's Awards in the Arts, and Arts on the Town. They also oversee the First Friday Art Stroll and work to create change using the Ogden City Master Plan for Arts and Culture.

**OGDEN CITY ARTS ADVISORY COMMITTEE (OCAAC)** is given the authority to recommend grant funds provided by Ogden City in Fiscal Year 2019/20 to support arts organizations and artists in Ogden City and to provide access to the arts for the people of Ogden City.

### [Guidelines](#)

The **OGDEN CITY ARTS GRANTS PROGRAM**, funded through an annual appropriation from the General fund by City Council, makes direct grants to individuals and organizations that contribute to the cultural life of our community. **OGDEN CITY ARTS GRANTS** support projects in every art form, for both well-established institutions, emerging artists, and arts projects.

Grants are made available on a yearly basis, and new applications must be submitted each year. OCA support should not be considered the primary source of funding for any arts organization or project; grant applicants are expected to seek other funding sources. The **OGDEN CITY ARTS GRANTS PROGRAM** is competitive. An award for the current year does not guarantee an award for the following year. The award of these grants is made at the sole discretion of **OGDEN CITY**.

Please read carefully these guidelines and the Terms and Conditions on the last page of the application before signing. In the event that a grant is awarded, these terms become part of the legally binding contract between the applicant and Ogden City Corp.

Major changes in scope, budget, or schedule must be submitted in writing and approved.

Grants are made in two areas: [GENERAL SUPPORT GRANTS](#) and [PROJECT SUPPORT GRANTS](#).

Applicants may only apply for one General Support Grant, or up to two Project Support Grants. General Support and Project Support Grants will not be awarded to the same recipient. You must apply in only one category.

# **GENERAL SUPPORT GRANTS**

**GENERAL SUPPORT GRANTS** offer general, non-project support to Ogden City's established arts organizations which have developed a broad range of programming and have contributed extensively to the cultural life of the city. General Support grants are made available to assist arts organizations with general operating expenses and the continuation or expansion of arts programming for the people of Ogden.

## **Eligibility**

In order to be eligible for a GENERAL SUPPORT GRANT, the applicant must:

- Be a nonprofit, 501(c)(3) tax-exempt arts organization, whose primary purpose is arts programming, support, or services.
- Applicant must submit copy of IRS tax-exemption letter with application.
- Be based in Ogden City and benefit Ogden residents.
- GENERAL SUPPORT GRANTS must be funded on at least (1:1) matching basis. Matching funds may be anticipated at time of application but must be verified and reported in the Final Report. In-kind services and goods may be used as a portion of the matching funds.
- Applicants for GENERAL SUPPORT must include in their application the organization's total estimated current fiscal year budget, showing revenue and expenditures anticipated.
- Applicants for GENERAL SUPPORT are limited to requests of no more than 15% of their preceding year's operating budget.

# **PROJECT SUPPORT GRANTS**

**PROJECT SUPPORT GRANTS** are available to individuals and organizations for specific arts projects and programs that have been determined to be of value to the community. Exhibits, concerts, performances, festivals, shows, workshops, and readings are among projects eligible for funding.

## **Eligibility**

In order to be eligible for a PROJECT SUPPORT GRANT, the applicant must:

- Request support only for arts projects, or projects that incorporate arts into their activities.
- Projects must be based in Ogden City and support Ogden residents.
- PROJECT SUPPORT GRANTS must be funded on at least (1:1) matching basis. Matching funds may be anticipated at time of application but must be received and obligated by the ending date of the grant as indicated in the application. In-kind services and goods may be used as a portion of the matching funds.
- Applicants for PROJECT SUPPORT GRANTS are limited to requests of no more than 50% of their project budget.

## Review Criteria

**The following criteria are considered during the review and approval process for both categories:**

1. Quality of the mission and objectives for the organization or project.
2. The applicant's history and ability to administer and implement the programs or project.
3. The artistic quality of programs, services or projects offered.
4. Number of people served through the programs or project.
5. Number of artists participating in programs or project.
6. Community involvement and collaboration efforts. Demonstration of professional community relations and support for artists and the arts community.
7. Programs and services free or open to the public and not restricted to members only. Access for underserved populations and/or community outreach.
8. Ability to form and execute an effective marketing plan.
9. Ability to identify and use assessment tools to evaluate the programs or project.
10. Demonstrate an overall benefit to the citizens of Ogden.
11. Organizational or Project match to the goals and objectives outlined in the Ogden City [Master Plan for Arts and Culture](#)
12. A realistic budget and projected income that reflects cash and in-kind match from a broad range of sources. Determination to present professional quality arts experiences as evidenced by paid performers, fair honoraria to artists, staff, etc.
13. Completeness and clarity of application.

## Tax Exemption

As verification of tax exemption, [General Support](#) applicants must submit with their application a copy of their Internal Revenue Service letter granting 501(c)(3) federal tax exempt status.

Project Support grants do not require an IRS 501(c)(3) federal tax exempt letter.

*If the applicant organization is not separately incorporated and uses the nonprofit status of another organization as its "umbrella", a statement must be submitted with your application identifying the organization from which nonprofit eligibility is derived.*

## Matching Funds

Both OGDEN CITY ARTS GRANTS categories described in these guidelines have a matching fund requirement. During evaluation of all applications, the grants review panel looks for a balance in the amounts and sources of funds. Because OGDEN CITY ARTS GRANTS funds are limited, applicants are required to seek additional sources of support, including contributions from individuals, businesses, and corporations, earned income, and grants from other government agencies. A balance of revenue sources demonstrates good fiscal planning as well as broad community support.

In-kind contributions are allowable as **a portion** of the required match, and considered as evidence of commitment to the applicant and project by others. Both cash and in-kind support are recommended.

## On-Site Review

All grantees will be required to submit to OCA the dates, times, and locations of their project or events. In addition, if applicable, two free admission tickets for on-site evaluations of program activity. OCA, the Arts Grants Sub Committee, and Ogden City Arts Advisory Committee will make every effort to attend and evaluate the programs or projects.

## Evaluation of Grantees

All grant recipients will be required to submit a Final Report form to OGDEN CITY ARTS within thirty (30) days of project/season completion and/or no later than June 30, 2020. **Grantees must request an extension in writing by June 15, 2020 if their projects have not been completed.** Please read through this form before initiating your project and create assessment tools that relate to it.

## Payment to Grantees

The grant fund will be released in two payments, 50% of the awarded grant funds will be released after the grants are officially approved by Ogden City Council. The final 50% payment will be made to grantees upon completion of the project/season and receipt of the Final Report form to OCA. In case of non-compliance with the conditions of the grant, OCA reserves the right to refuse payment of the grant.

## Public Hearing

In compliance with Utah State Code 10-2-8, a public hearing must be conducted prior to awarding grant funds to selected applicants. Therefore, applicants may be requested to attend a public hearing that will be held in conjunction with an Ogden City Council meeting. A notice of date and time will be sent to all applicants when the hearing is scheduled.

## Insurance

OCA strongly encourages all applicants to pursue on their own, some form of insurance coverage, both for project participants and for audience members, as a good business practice. With that being said, proof of insurance is not required to receive grant funds.

## Ogden City Arts Funding Limitations

OGDEN CITY ARTS cannot fund:

1. Projects that do not demonstrate a broad base of funding from sources other than OCA.
2. Projects completed prior to application date.
3. Projects that take place outside of Ogden city.
4. Projects that occur outside of the Fiscal Year. (July 1, 2019-June 30, 2020)

## Documentation

The Ogden City Logo (provided upon request) must be included on all printed materials in relation to the grant project/programming. It is also good practice to document your programming/project with high quality photos. These photos will be used for Arts on the Town, an event held each spring to highlight the work that Ogden arts grantees accomplish.

If your organization is not separately incorporated, did you instead enclose a statement identifying the organization from which your nonprofit eligibility is derived? These supporting materials must be submitted with this application, even if they have been submitted in previous years.*
- *Did you respond to all of the questions? Do not simply leave a question blank. If it does not apply to your organization, please indicate Not Applicable, or if you are uncertain as to how to respond, contact the Ogden City Arts Grants Coordinator.*

## Supplementary Information / FAQ's

**1) *Who evaluates the grants applications?***

Applications are first reviewed by the Art Grants Subcommittee. This group is composed of at least 5 voting members from Ogden City Arts Advisory Committee, the Ogden City Diversity Officer, a member of City Council or their designee, and the Director of Community and Economic Development or the director's designee. Recommendations for funding are submitted to the full Arts Advisory Committee and then to City Council for final approval.

**2) *How are applications reviewed?***

Copies of all grant applications are prepared for each member of the Grants Sub Committee to review. The Committee meets several times to discuss the applications and to formulate recommendations for City Council. In addition to the funding criteria listed in the guidelines, the decisions are also based on the amount of funds available and the number of grant applications deemed appropriate for funding. If questions arise, the Arts Coordinator will contact the applicant for clarification or additional information.

**3) *When are grant awards announced?***

Ogden City Arts will notify grant applicants about the public hearing date for final City Council approval of the Ogden City Arts Grants recommendations. The hearing date will be determined by the Ogden City Council. Applicants are encouraged to attend the public hearing for input to the City Council and City Administration. However, attendance is not mandatory. Official awardee notification takes place after City Council approval.

**4) *How should I handle the matching funds requirement if I am an individual artist and am applying for a Project Support Grant?***

Cash match for a Project Support Grant may be generated by sponsorships from other sources, personal funds, ticket sales, etc. We understand that it may be more difficult to find matching funds when the applicant is not a nonprofit corporation. At the same time, OGDEN CITY ARTS would like to see evidence of community support for the project and matching funds are one indication of that support.

**5) *Does submitting additional printed materials with my application improve my chances for getting a grant?***

No -- supplementary materials that are not specifically requested will not be given to the members of the Grants Sub Committee with the grant applications.

**6) *How do I fill out an editable PDF form?***

First open and chose the "save as" option to save the PDF document to your computer. You may then begin to fill in the open sections on the application. You can save and re-open your document to make changes as many times as needed until your application is ready to submit. Attach your final saved file to an email and send to [arts@ogdencity.com](mailto:arts@ogdencity.com). Applications filled out by hand are also acceptable, but must be mailed or hand delivered.
